

# High Back Day Chair - Wide

SKU : RM533B

**\$649**

## Features Include :

- The orthopaedic High Back Day Chair Wide has all the benefits of the standard High Back Day Chair but with the added benefits of a wider seat and a more generous weight capacity.
- It is suitable for any room in the house, ideal for post surgery recovery where you are required to sit a little higher than a standard chair.
- The seat is designed with comfortable padding covered with easy to clean vinyl and features a curved upright backrest.
- It is height adjustable with a 60cm seat width and has a weight capacity of 250kg.

Seat Height	Seat Width	Seat Depth	Chair Height	Chair Width	Arm Height	SWL
47cm-63cm	49cm/60cm	50cm-55cm	114cm-129cm	64cm/74cm	15cm	120kg
